CHRIST THE KING

The Feast of Christ the King was established by Pope Pius XI in 1925 as an antidote to secularism, a way of life which leaves God out of man's thinking and living and organizes his life as if God did not exist. The feast is intended to proclaim in a striking and effective manner Christ's royalty over individuals, families, society, governments, and nations.

Today's Mass establishes the titles for Christ's royalty over men: **1)** Christ is God, the Creator of the universe and hence wields a supreme power over all things; "All things were created by Him"; **2)** Christ is our Redeemer, He purchased us by His precious Blood, and made us His property and possession; **3)** Christ is Head of the Church, "holding in all things the primacy"; **4)** God bestowed upon Christ the nations of the world as his special possession and dominion.

Today's Mass also describes the qualities of Christ's kingdom. This kingdom is: **1)** supreme, extending not only to all peoples but also to their princes and kings; **2)** universal, extending to all nations and to all places; **3)** eternal, for "The Lord shall sit a King forever"; **4)** spiritual, Christ's "kingdom is not of this world".
