20TH SUNDAY IN ORDINARY TIME (C)

Often our prayers, both liturgical and personal, are that nothing may change, or that things may go back to what they were at a previous point in our lives. Today’s Gospel reminds us that following Jesus is to embrace a new way of living, where the certainties of the past may have to be destroyed by the fire of the Holy Spirit to enable new life, new blossom to come forth. Only in this way can we become the people God created us to be; only in this way can we become ever more like Jesus Christ himself.: “let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfector of our faith...” (Hebrews 12: 1-2a)

Baptisms/Marriages by appointment only. Please see Fr. Philip

PARISH NEWS

SAINT JOHN HENRY NEWMAN

DOCTOR OF THE CHURCH

(from the Southwark Diocese Website)

The Vatican announced that Pope Leo XIV will declare St John Henry Newman a Doctor of the Catholic Church.

Responding to the news, Archbishop John Wilson said:

“The announcement that St John Henry Newman will become a Doctor of the Catholic Church will fill the hearts of English Catholics with so much joy. It will also be welcomed by Catholics around the world for whom St John Henry is an inspiring theologian and apologist for the Catholic faith.

“For all his enormous intellect and learning, St John Henry above all lived the humility of a disciple, with a passion for truth. His life shines as an example of what it means to be a true follower of Christ. If we want to grow in holiness, if we are passionate to find the truth and walk in His ways, we first need to humble ourselves before the Lord Jesus, just as St John Henry did. His towering intellect brought him to seek Christ ‘heart to heart.’ May this soon to be new Doctor of the Church teach us to do the same.”

A Doctor of the Church is a man or woman of great holiness and learning whose teaching and wisdom not only resonated with their own contemporaries, but still illuminates, instructs and inspires today.
